Winning Small College Coach, Ron Ekker, To Lead WT's Basketball

Mrs. Margaret Harper, moderator for Monday night's Candidate Night, prepares to begin the session with school board candidates. The American Association of

University Women and the Women's Division of the Canyon Chamber of Commerce sponsored the forum.

A coach who has never had a losing season, who has led conference champions at large schools and small schools has been recommended to head the basketball Buffaloes of West Texas State University.

Ron Ekker, 37, head basketball coach at Hillsdale College in Michigan, was selected to be next head basketball coach at WTSU.

Announcement of his appointment came at 2 p.m. Wednesday from WTSU Athletic Director Gene Mayfield, who said he has recommended to the

administration and the Board of Regents the hiring of Ekker.

A press conference to introduce the new head coach will be at 10 a.m. today on the WTSU campus.

Ekker, who has coached in high schools, colleges and major universities, has been head coach at Hillsdale, a college with 1000 students in Michigan, for two seasons.

This season his team compiled a 19-9 record and in 1971-72, the Chargers sported a 25-8 season record.

Ekker's overall college record

as a head coach is 104-56.

Prior to joining the Hillsdale sports staff, Ekker was assistant varsity coach at the University of Minnesota where he was in charge of the basketball recruiting program.

From 1966 to 1970, he was head coach at Winona State College in Minnesota where he compiled outstanding records. In 1966-67, he led the team to a 15-9 record, the best in 21 years for Winona State. In 1968-69, Ekker's team won the first conference championship in 30 years for Winona

State.

In 1969-70, his team compiled the best record in the school's history with an 18-7 mark.

He was named the NIC conference coach of the year in 1969.

He has also coached at Wayne State College, Nebraska and at Cheboygan High School in Michigan.

"His background is excellent," said Mayfield Wednesday. "He's coached in high school all the way up and he's been successful."

Mayfield said he personally interviewed Ekker and is particularly pleased with his apparent ability to take a losing team and turn it into a winner.

"He had three programs when he went into which were losing and he was able to turn them around into a winning situation," Mayfield said.

The WT athletic director noted that Ekker has also been involved in financial situations which give him a certain appreciation for working within a

Students Want Student Regent

West Texas State University student senators, determined to have some voice in either selection of the new WTSU president or the actual running of the university, passed resolutions on both subjects Monday afternoon.

Key resolution passed by the senators calls for the appointment by Gov. Dolph Briscoe of a student to the currently vacant position on the WTSU Board of Regents.

A spokesman for the Texas governor said Tuesday Briscoe's "mind is not closed to that possibility."

The spokesman said the governor is currently eyeing another appointment to replace T. Boone Pickens, Amarillo oil company executive who re-

signed last week from the board.

"He (the governor) is not going to write anyone off because he or she is a student," the spokesman said.

Senator Alex Cuellar of Uvalde, the governor's hometown, introduced the resolution.

Cuellar, who claimed to have worked closely in the governor's campaign last spring, said Briscoe "promised students he would appoint students."

Quoting from the Houston Post, Cuellar said Briscoe has praised student insight and abilities to handle problems.

"Dolph Briscoe will listen to the youth of Texas," Cuellar quoted from a Briscoe campaign advertisement. "I feel Briscoe

has the opportunity to give us an ear."

The resolution calls for the appointment by Briscoe of a student to be selected by the student senate to the board of regents on a continuing basis. The student should have full voting rights and privileges, the resolution states.

The resolution drew some fire from Student Association President Bob Lee of Happy, who contended that students don't have the time to devote to the work involved with being a regent. He also questioned who would pay travel and other expenses associated with the position.

Senate president Charles Barker said he believes the

senate should supply monetary assistance if a student were named to the board.

He also contended that any student should have time to devote to the board work.

The resolution received unanimous support from the senators.

A telegram will be sent to the governor and the other members of the Board of Regents outlining the resolution.

In other action, the senators passed another resolution

concerning placement of students on the selection committee for the next president of the university.

The resolution states that two students should be named to the final selection committee not later than April 9.

Senators had previously asked to have student representation on the screening committee, which is perusing applicants for the presidency.

Barker was told, however, by

Candidates Eye Dress Code, Budget Priorities, Athletics

The seven candidates for election to the Canyon School Board and a lone city commission candidate met the public Monday and Tuesday nights.

An aggregate crowd of about 75 persons heard the candidates' basic platforms and then asked questions of the office-seekers.

Monday night's forum was sponsored by the American Association of University Women and the Women's Division of the Canyon Chamber of Commerce.

Tuesday night's forum was hosted by the West Texas State

University Student Activities Council, Young Republicans and Young Democrats.

The issues touched both nights concerned the emphasis on vocational education in the Canyon schools, dress code regulations, budgetary priorities and other areas.

Although he was present at Monday's meeting, Incumbent School Board Member Harold Erwin did not attend Tuesday night's session. Felix Pierce, incumbent city commissioner, and Dr. Willis Harrison, incumbent

city commissioner, also did not attend the Tuesday meeting.

Harrison is running unopposed, but Pierce is facing Dr. J. Pat Stephens in the Tuesday election.

Seven school board candidates seek two positions on the board. They include incumbents Erwin and Richard Pruett and Mrs. Pauline Hefley, David Kent, Dr. Hiram Carr, Dr. Wallace Johnston, and Dr. J. L. Markham.

School board election is April 7.

The candidates and their comments (in alphabetical order):

Dr. Stephens (city commission) — "I believe the time has come to get things moving better than we have. I believe we can do better." In addressing himself to several areas of particular current concern, Dr. Stephens said he believes Canyon is long overdue for a new civic center complex, which commissioners are currently planning. Calling the traffic problem on 23rd Street a "transient issue," Dr. Stephens said he believes the problem can be solved through implementation of the plan presented by Police Chief Al Stewart. He stressed the need for further emphasis on finding water resources for Canyon.

Zilka Hearing Is Due Friday On Rape Retrial Plea Here

A hearing on the retrial plea of convicted rapist Anthony Martin Zilka, 40, will be at 9 a.m. Friday in 47th District Court in Amarillo.

Zilka, serving a term of life imprisonment for the rape of a 3-year-old girl in 1964, is currently in Randall County jail pending the hearing.

Originally, the hearing had been set in January, but due to a back surgery, Zilka asked for and was granted delay in the hearing.

Attorneys for Zilka, found guilty of raping the young daughter of his common-law wife, have filed a writ of habeas corpus which specifies the former

farm laborer is being held illegally in Huntsville.

Zilka, who came to Canyon with a woman and her children in February 1963, was assessed a life term in late May 1964 after a day of testimony in 47th District Court here.

Judge E.E. "Gene" Jordan, who presided over the original case, will hear Friday's plea.

The original verdict for Zilka was later upheld by the Texas Court of Criminal Appeals.

Randall County Dist. Atty. George Dowlen had previously noted that Zilka filed a writ of habeas corpus in 1969 but that writ was denied by Judge Jordan.

The current writ, filed in early December 1972, contends that during Zilka's trial in Canyon in 1964, his testimony was impeached by the introduction of evidence that he'd been previously convicted of two felonies in Pennsylvania.

Dowlen said Zilka contends he had no attorney in the Pennsylvania cases and therefore the convictions are void.

Zilka also contends he should be granted a new trial in Randall County on the basis of a 1965 U.S. Supreme Court decision which said all defendants must have an attorney in felony cases.

Since the filing of the writ in

County Suggests Hike In City Fire Subsidy

County Commissioners backed further away Monday from the idea that they purchase a \$33,000 fire truck for the City of Canyon and proposed instead that the county increase its subsidy payments to the city for fire service in rural areas.

City Manager George Louder met again Monday afternoon with county commissioners to continue discussion on a city proposal that the county buy a fire truck, which would fight primarily rural area fires.

Louder told commissioners it is the desire of the city commission to continue under the current fire-fighting contract with the county unless the contract proves to be inadequate

compensate the city for its expenses in fighting county fires.

Currently, the county and city trade services. The county provides radio equipment and facilities for city use and also jail

facilities for city prisoners, while, in turn, the city provides fire service. The county also pays a subsidy for fire service.

Louder reiterated the city commission feeling that since a new fire truck is needed only because of the city's obligation under the contract to rural Randall County residents, the county should purchase the new truck.

He noted that more than 50 percent of the calls made last year by the Canyon fire department were to rural areas in the county.

"We're charged with providing two fire departments, one for the rural area and one for the city of Canyon," Louder said. "It's not equitable to ask the City of Canyon to bear the costs."

WT Screening Committee To Finish Job

The five-member screening committee accepting applicants for the next president of West Texas State University will meet Friday to pare applications to a maximum of eight.

The News learned this week that the committee is to submit a full report on the eight to the Board of Regents following the Friday meeting.

No applicants from the present administration at West Texas State University are on the current list which the screening committee is considering for the selection of the final eight, according to an informed source.

It had been earlier reported that at least two university administrators had made application for

the presidency. And, one administrator, Dr. T. Paige Carruth, had been endorsed by five state legislators.

A source said the final list to be completed Friday will contain names of applicants who are currently college presidents elsewhere and some applicants who are not presently college presidents.

Current President Dr. James P. Cornette retires in 1974.

Board Chairman Cloyce Box has been quoted as saying Dr. Cornette will be made chancellor of the university upon his retirement.

The new university president is to be on the WTSU campus before the opening of the fall 1973 term.

The screening committee, which consists of three area businessmen, a WTSU dean and a faculty member, has been perusing applications for the job since their appointment before Christmas.

Box said last week that when the final screening is completed the applicants will be brought to the WTSU campus to meet

Union Leader Due Here For WTSU Appearance

Roy R. Evans, president of the Texas AFL-CIO and a leader in the Texas labor movement for over 20 years, will speak on the wage-price policy Friday night at West Texas State University.

His appearance is under auspices of Omicron Delta Epsilon, economics honor society at WTSU. The lecture is scheduled at 7 p.m. in room 202 of the Activities Center.

Tickets are priced at \$2 and can be purchased between 8 a.m. and 3 p.m. in the economics department. The price includes a buffet dinner.

Evans began his union leadership activity in the United Auto Workers organizing drive at the Chance Vought aircraft plant in North Texas in 1948. He served in offices in his local

I wouldn't be at all surprised to see Cloyce Box resign from the board of regents as soon as a new president has been chosen.

Box is head of a large corporation and his very nature drives him to give more to his duties than most men could or would.

His company is involved in international transactions that require his constant attention and he gives of his time to the operation of West Texas State University at what must be considerable sacrifice.

I was in fairly close contact with the governor's office at the time the first regents were appointed and I know that Box did not seek the job Preston Smith handed him.

I have always had the feeling that he took the assignment in the first place more or less to pay off some debts he felt he owed his alma mater. He came to the campus as a farm boy and left a football hero to play pro ball and make contacts that would lead to business success.

As far as I know, he has never missed or been late to a meeting of the board. Also he has spent considerable time on campus.

Box has accomplished a

number of things for WT. It would appear that he played a major role in getting science and library buildings for the university.

But he's not the type to sit in the back seat. He wants to drive. And it must be difficult to drive an international corporation and a university at the same time.

Remember, this is an educated guess but I won't be surprised if he calls it quits when he's satisfied with what he has done for West Texas State.

Terry Jo Reynolds was in Austin last week for a legislative breakfast. Terry is a senior at Canyon High School and daughter of Mr. and Mrs. Earl Reynolds.

She is interested in politics and has a surprising knowledge of how the game is played. She worked hard for Dolph Briscoe last year.

She wants to be a politician herself. Who knows? Canyon may yet furnish the second woman governor in Texas history.

Two Canyon churches—First Presbyterian and First Baptist—are on the threshold of undertaking vast building programs.

Need for the buildings they will construct is only a part of the good that these programs will bring. Most important, I think, they will require commitment from the membership and spark new interest in the community.

People without goals tend to stagnate and do next to nothing.

The space program does more for this country than sending pay loads to the moon and back. In the past only war has been able to unite the nation.

War has brought out the best in technology and patriotic effort.

Space has piqued the interest of the people and instilled a national pride we once found only on the battlefield. Techno-

logical spin-off has been enormous.

Critics say the money should have been spent on slum eradication and helping the poor. I doubt that the poor would have been helped any more had the space program never been under taken.

Robert N. Winter-Berger has come out with a paper back titled "The Washington Pay-Off" in which he tells how the very rich influence top level decisions in this country no matter what party is in power.

It gives the low down on Johnson, the Kennedys and is especially acid in its treatment of both former Speaker John McCormack and Minority Leader Gerald Ford.

Sun. Reception

To Honor Cole

A reception honoring Levi Cole, chairman of the board of First National Bank of Canyon, will be from 3 to 5 p.m. Sunday at the bank's community room.

The reception honors Cole on his 70th birthday.

David West, executive vice president of the bank, said the public is invited to attend the reception.

Bank employees are hosting the event.

City Absentee Ends Fri.

Friday is final day to cast absentee ballots in the Tuesday city commission election.

City Clerk Bob Moore said only four persons have cast absentee ballots so far.

Two incumbents and a challenger seek two seats on the commission in the Tuesday election.

Felix Pierce faces challenger J. Pat Stephens and incumbent Willis Harrison runs unopposed.

Absentee balloting in the school board, county school board and hospital board elections ends Tuesday.

Eleven persons have voted absentee in the school board election.

Mrs. K. Bert Watson seeks election against Charles Purcell for a seat on the county school board.

Incumbents, O.H. Rahlfs, Vernon Harman, Mrs. T.G. Hull and Bill Sternberg seek reelection to the hospital board. In addition, George Blackwell also seeks election.

Sen. Sherman

To Be Speaker

State Senator Max Sherman of Amarillo will be guest speaker at the final banquet of the Top of Texas District Convention of the federated women's clubs. The event, open to the public, will be held in the East Cafeteria of West Texas State University.

Anyone wishing tickets to the banquet should contact Mrs. Gilbert Irlbeck or Mrs. Wayne Wirt. Tickets are \$4.50 each.

The program will include presentation of the Outstanding Clubwoman Awards and music by Emily Hallmark, vocalist of San Angelo, recipient of the TFWC Musical Penny Scholarship.

City Voters To Decide Change

In addition to filling two seats on the city council, voters in the Canyon City Election April 3 will also have the opportunity to cast a ballot for or against a proposition calling for a change in the city charter.

The proposition is whether or not to repeal the current Section 3.17 (c) and replace it with a newly worded section. The section in question deals with the method to be used by the city in arriving at the fair value of utilities under franchise should the city decide to purchase the utilities at the end of the franchise period.

Under present wording, before a franchise may be issued by the city, a method or formula of purchase must be agreed upon in advance as to how the fair value of the utility's property will be arrived at.

The city commission and City Manager George Louder have said that the wording in the city charter needs to be changed to allow franchises without the advance agreement on the method to be used should the city desire to obtain the utility property.

The city, as do most cities in Texas, retains the right to purchase utility property at the end of franchise periods. This, said Louder, was in order to protect the citizens should service ever drop to a standard not beneficial to the city and its citizens.

According to Louder, "Ours is unique in that it contains the clause about the method being established." He said the present wording requires that the city and the utility companies spend needless days, weeks or even months in determining a formula for a sale when there is no real interest by either to buy or sell.

It is expected that if the current wording is changed, the city would base any future need to purchase a utility's property under the broad scope of "eminent domain."

The problem with the current wording was brought to light several months ago when the City of Canyon and Pioneer Natural Gas Co., became stalled during talks regarding the

renewal of the gas company's franchise.

Said Louder, "This was the first time it has arisen because it was the first time a franchise needed to be renewed since the revision of the charter."

The city manager said the gas company had cooperated fully in the matter but he added that under the present wording of the city charter, little could be done to arrive at an agreement which would protect the interests of both.

According to Louder, should the city grant a franchise without the advance formula for future purchase, it would not be valid under the law. "We have to have some solution to make this section workable," he added.

In addition to Louder and the commissioners, the proposition has also been supported by City Attorney Elton Cox, who said it was imperative that the charter be changed.

Of the proposition to change the charter, Louder said, "I feel

that it will eliminate the problem. If we don't change it, we will run into the same problem everytime a franchise comes up for renewal."

The city issues utility franchises to Pioneer, Southwestern Public Service Co., and to Southwestern Bell Telephone Co.

State Returns

Tax Money

The state returned this week \$19,433 to the City of Canyon representing the city's share of sales taxes collected here in the final quarter of 1972.

City Manager George Louder said the total returned represents a 16.5 per cent increase over the amount returned for the final quarter of 1971.

A total of \$16,669 was returned after the final quarter of 1971.

"That's good solid economic growth," Louder said.

The returned share is a portion of the sales taxes collected by local merchants and is, to an extent, an indicator of retail business in the area.

Louder said the return represents a figure equal to about \$9 per capita for Canyon.

Little League

Meets Today

An organizational meeting of the Randall County Little League will be held today at 7 p.m. in the fieldhouse at West Texas State University.

According to league spokesmen, the purpose of the meeting will be to collect registration cards from all prospective baseball players, and to announce plans for the coming season. The league includes the minor league, the major league and the eight-and-nine-year-old league.

Officials said it was important that all players and their parents attend the meeting. This includes players ages eight through 12, even those already assigned to teams.

League tryouts for age 10 and minor league players ages 11 and 12 are scheduled for April 2, 3 and 4. Workouts for major league teams will begin April 9, officials said.

To help defray league expenses, a donation of \$5 per player is being asked by league officials. Officials said, however, that there is no fee for playing and that the \$5 donation is asked only to help with growing expenses.

Weyman Brown is president of the Little League operation this year.

Bedwell Trial

Bedwell had earlier pleaded not guilty to the charge.

A Houston member of the West Texas State University board of regents, Patrick Rutherford Jr., responded this week to criticism that he has attended only one regents meeting in four years by saying he has been working behind the scenes to obtain funding for various WTSU programs.

Murder Trial

Due Monday

For Lolmaugh

After at least one delay, the murder trial of Marvin Edward Lolmaugh, 30, charged with the shooting death of his father-in-law, is scheduled to begin Monday in 181st District Court here.

Lolmaugh is currently free on \$10,000 bond. He is charged with the election day shooting of his father-in-law, Leonard Eugene Mullin, 50, a part-time Amarillo barkeep.

The shooting occurred on the parking lot of Betty's Cafe at the Canyon E-Way and Bell in South Amarillo.

Lolmaugh is represented by Canyon Attorney Harris Hampton.

Asst. Dist. Atty. Robert McClendon will represent the state.

Mullin was found by Amarillo police lying in a pool of blood outside his 1970 station wagon on the cafe parking lot about 1:40 a.m. Nov. 7, 1972.

He had been shot twice by a weapon believed to have been a .357 magnum revolver.

Lolmaugh was arrested shortly after the shooting at a gas station near the scene.

His wife, Julia, who was also present at the time of the shooting, was quoted by detectives as saying her husband shot her father.

Trial for Lolmaugh was originally set for late February, but the trial was delayed until further evidence could be produced.

Canyon Bands Score At Borger Festival

Bands from Canyon High School and Canyon Junior High School took sweepstakes honors last week when they competed in the Borger Band Festival.

The high school group, under direction of J.W. King, and the junior high group, under direction of Gary Laramore, took Division I ratings in both concert and sight reading to gain the sweepstakes trophies.

King said the Canyon bands took part in the highly competitive Borger event in preparation for the University Interscholastic League competition set for April 11 and 12 in Amarillo.

Kim Killingsworth, high scoring member of the Canyon High School girl Eagle basketball team, led the West team to its first victory in the High School All-Star Game played in Amarillo Saturday night.

Miss Killingsworth scored 12 points for her winning team, leading all scoring for the game. She also pulled in four rebounds.

As the West jumped out in front early in the game, Miss Killingsworth was responsible for six of her team's first ten points.

The 53-30 victory marked the first time in the three-year history of the game that the West had won.

ACCORDING TO LEWIE Raef, our total rain for March is three and one quarter inches. How is that for moisture in March?

WE WOULD LIKE to extend our sympathy to the Adams brothers, La Dean, Carroll and

Darroll, whose father, William Adams passed away last week in Oklahoma. Mr. Adams was well known here, as the Adams family lived here for many years, and had visited their sons and their families on numerous occasions.

FRIENDS HERE RECEIVED word of the death of Otto Prizlas, of San Angelo. He had lived in the Umbarger community from 1944 to 1966. He was the father-in-law of two former Umbarger women, Mrs. Oscar Prizlas is the former Katherine Koch; and Mrs. Melvin Prizlas is the former Phyllis Beckman. Attending funeral services from Umbarger were Mr. and Mrs. Ben Koch, Mr. and Mrs. Charles Beckman, and Mr. and Mrs. Carl Frische and David. The funeral was held in Wall, on Friday.

WE WOULD LIKE to extend our sympathy to Clarence Kern, whose sister, Mrs. Josephine (Frank) Linenfeller, passed away last week. Mrs. Linenfeller died in Mesa Arizona and funeral services were held in Galena, Ill. on Tuesday.

THE DON RAEF'S were Friday evening dinner guests of the Marion Hicks.

ALL 4-H CLUB members who are interested in horsemanship, riflery, entomology (study of bugs), dairy or beef cattle judging, call 499-2748 as soon as possible, so that classes can be

organized.

DON'T FORGET THE Randall County Food Show, to be held March 31, at 9:30 a.m. in the Farm Bureau Building. Everyone is welcome to attend and see what the 4-H boys and girls are doing. All kinds of foods will be entered in the show, so all you Umbarger people come see what our 4-H Club is doing.

MR. AND MRS. John Wieck are grandparents again. Carolyn and Sam Kirkland have a little son, Jason Michael. He joins one sister and one brother. Our congratulations to the Kirklands and the Wiecks.

LITTLE DANNY HICKS celebrated his fifth birthday on Saturday, March 24, with a little party, with Scott Raef and Karen and David Hartman as guests. On Sunday, his grandparents, the Bill Hicks and the Lewie Raef's were guests for a birthday supper for Danny.

THE A. R. FRIEMELS are grandparents, for the first time. Mr. and Mrs. Jim Urioste, of Amarillo, have a new little daughter, Nicole Dawn. Mrs. Urioste is the former Gwen Friemel. Congratulations to the proud parents and grandparents.

She is still paralyzed and, therefore, still in all those contraptions and weights and so forth. She is also experiencing pain. Her mommy is confident that the prognosis for Shelley's complete recovery is good. Our thoughts are with Shelley and her family at this time and in the days to come. Hang in there, Honey, we are with you!

TONIGHT IS THE night for

the last of those series of meetings comprising the Parent and Family Life Education Study Course sponsored by the Amarillo Area Council of the PTA. The time is 7:30 to 9:30 at the School Administration Building in Amarillo. You were introduced to Dr. Grant B. Bitter via this column a few weeks ago. Dr. Bitter will speak on "A Parent and a Teacher's Involvement in the Miracle of Self-Fulfillment."

A concerted effort to attend this meeting will be rewarded with some helpful and useful information. Try to go—for your benefit, as well as for the benefit of your children.

SATURDAY IS GOING to be a busy day for our Cubs and Scouts. The Scout-O-Rama will be held at two o'clock at the Civic Center (go in the north door). The boys will be demonstrating the skills they have acquired via scouting activities. A parade in downtown Amarillo will start at one o'clock, preceding the Scout-O-Rama. Children under twelve do not have to have a ticket for the Scout-O-Rama. Anyone owning up to being over twelve will need to part with a dollar. Tickets will be available at the door—but—and this is important—each pack or scout troop selling tickets will receive forty per cent of the pre-ticket sales money. We all know it to be fact that this money can and will be put to good use by the scouts, so buy your ticket from a cub or a scout. Go and have fun.

THE FIRST BAPTIST Church in McLean was the setting for the wedding of Jerry Dwyer and Nancy Brown. Wedding colors were orange, and

white, and Cindy Todd wore a beautiful long, orange dress in her role as candlelighter. Cindy is the daughter of Arlean and F.P. Todd, and Jerry is F.P.'s nephew. Cindy was given a necklace with a heart-shaped pendant, as a remembrance of the wedding. The bride and groom's names and the date of the wedding were engraved on the back of the heart, and Cindy's name was engraved on the front. What with all her experience as official "Punch Maker" for the PTA, Arlean was given this delightful task for the reception. Following the reception at the church, about thirty people from the Todd and Dwyer clans gathered for a mini-reunion. Lots of family talk here, while the bride and groom were on their way to ?????? for a honeymoon. Mr. and Mrs. Jerry Dwyer will take up residency in Lubbock, where he is attending school. Best wishes to this young couple.

HI, DORIS!

JANELLE (ALSO KNOWN as Jo) Delaney, welcomed her tenth birthday with a swimming party at the YWCA on the 27th. She actually became a year older on the 24th, but delayed partying until the weekend. All the Shenk girls, Glandene, Janice, Lisa, Susan, and Shelley, added a happy note to the celebrating. Mary Jo Turpin, Kaki Mulherin, Lori McNabb, Carla Schmidt, Sheila Hicks and Brenda Carney also contributed their share of giggles and birthday wishes. Jo's new baby niece, Christi Wynn, and Christi's mother, Mrs. Larry Wynn, and Jo's grandmother and grandpapa, Mr. and Mrs. Dick Delaney, also drove in to share the cake. Happy birthday, young lady.

TWO GENE HOWE lovelies have announced their engagements. Susan Nash, daughter of Mr. and Mrs. James A. Nash, has planned her wedding to Larry Michael Cook of Canyon for April 20 in the Paramount Baptist Church.

MARLA PHILLIPS, DAUGHTER of Bill and Margie Phillips, will be married to Michael Anthony Shadix on June 10th at the South Georgia Baptist Church. The prospective groom is the son of Mr. and Mrs. Buford Shadix of Canyon and a student at West Texas State University.

BETTY DOZIER HAS returned from a few fun-filled days in Dallas visiting with a dear friend, Judy Fowler. Betty flew down last Tuesday and the ladies apparently spent their days shopping, talking, shopping, talking, and more shopping and

talking.

BETTY CAME HOME Thursday night in time to get ready for son Kevin's birthday party on Friday. The severe weather alert bulletins did not even dent the enthusiasm of about twenty young friends who helped Kevin celebrate the big day. Betty said she had a few nervous moments, but the youngsters were too busy with games and playing to even notice the weather. The drum-shaped birthday cake deserved and received quite a bit of their attention also. Kevin became eleven on the 27th, but couldn't wait till then to share party fun, so we send him a special wish for that day.

THE RATHER DAMP weather on Saturday caused Kelly Dozier to postpone his planned party in Palo Duro Canyon. Will try again this weekend, weather cooperating. Kelly became twelve on the 25th, and he and his family enjoyed a mini-party, with more to come!

REMIND YOU ONE more time that the School Board and County School Trustee elections will be held Saturday, April 7th. Visited a few minutes with Charles Purcell, candidate for Precinct 2 of the County School Board. As many will remember,

good ol' Charlie has served as election judge many many times at Gene Howe school. This time around his name will appear on the front of the ballot rather than on the back. (Election judges have to affix their "John Henry's" on each and every ballot cast). Could the fact that his name will be on the front be termed as a switch play? Is there such a creature?

THE AMARILLO FEDERATION of Women's Clubs have plans well under way for the annual Chuck Wagon Supper this Saturday. Delicious vittles are in store for adults at \$2.00 a ticket and children under twelve for \$1.00 a ticket. Serving will start at 5:30 p.m. and will continue until 8:30 p.m. The supper will be held in the club rooms at 3001 Civic Circle. Forget about cooking and washing dishes, mom, treat the family. Entertainment in the form of square dancing and band music will be provided during your dining.

YE, GADS. ANOTHER one of those days again. Monday, April 2 is an in-service day for our teachers. So, get ready, moms, for a long weekend, 'cause the kids will be home all day Monday eating, playing and fighting with each other.

THE MOD MATH students will be having class Monday evening, even if the youngsters won't Monday day. Usual time, usual place. This class is really progressing. I ask you: "If some Smaugs are Thors, and some Thors are Thrains, then some Smaugs are definitely Thrains." True or false? Brave souls read on: "If some Bifurs are Bofurs, and all Gloins are Bofurs, then some Bifurs are definitely Gloins." True or false? Now, don't bother the speech therapist in trying to find the answer to these problems. Bother Denny Park, the good ol' fearless math teacher. There is a reasonable, sensible, easy solution—or, so the story goes. "Some" of the people in this class are learning useful and helpful modern math. "They" took a test last Monday evening to prove it. Can't resist one more. Know what a rational number is? Asked a young man this question, and he said a rational number is a girl who pays her own way on a date. Wishful theorizing. As in most cases, there is another side to the story. To get the mathematical definition, ask Denny or someone else in the class.

UNCLE! THANKS FOR THE use of the hall.

Sonic Drive-in Now Open For Business

The Sonic Drive In at 1007 23rd St., Canyon's newest eating establishment, is open for business and offers a variety of short-order fare.

Under management of Mike Westfall, who moved to Canyon from Big Spring in January, the facility specializes in fast service and fresh foods.

"Our operation is perfect for anyone in a rush . . . such as

J. Moses Family Welcomes Arrival

Mr. and Mrs. Jesse Moses, 2520 6th Ave., welcomed the arrival last week of a new baby son, Jeffrey Donald, born Nov. 3, 1972.

The maternal grandparents are Mr. and Mrs. Earle O'Nan, of El Reno, Okla.

Mr. and Mrs. J.D. Moses of Klondike, Tex., are the paternal grandparents.

Jeffrey has one older sister, Carol Ann, age 4. Their father is county manpower planner with the Texas Panhandle Area Manpower Planning Council with offices in Amarillo. He was formerly a government instructor at West Texas State University.

4-H Food Show Set

"Food For All Seasons" is the theme for the 1973 Randall County 4-H Food Show. It will be held Saturday, March 31, beginning at 9:30 a.m. in the Farm Bureau Building in Canyon.

Boys and girls in 4-H will be judged on their exhibits in the classification of Main Dish, Fruit and Vegetable Dish, Breads and Desserts, or Snacks and Beverages.

Two juniors and two senior 4-H members will be selected by the judges to represent Randall County at the District 14-H Food Show at the Women's Federated Building in Amarillo on Saturday, April 7. Four senior winners from the District contest will compete at the State Food Show at 4-H Round-Up at College Station in June.

The objectives of the 4-H foods and nutrition program are given as:

1. Develop leadership talents

Methodists Slate One-Way Retreat

Jeff Walter, athlete and musician from McMurry College in Abilene, will lead a "One-Way Retreat" this weekend for Methodist young people and any interested youth in Canyon.

A fellowship supper followed by spiritual evening begins the retreat at 6:30 p.m. Friday at the First United Methodist Church. On Saturday morning a rap session will be held at 10 a.m., breaking up at noon for a bike hike to Conner Park for a cookout. A "spiritual evening with Jeff Walter" begins at 7 p.m. on Saturday.

Weekend retreat activities will conclude Sunday morning with Jeff Walter leading morning worship service at 10:45 a.m.

The youth evangelist is a junior ministerial student at McMurry College, known for quarterbacking the football team and playing basketball as well as participating in a rock band. His interest in Christian witness began when he was a high school student at New Mexico Military Institute, where he became active in the Fellowship of Christian Athletes and was president of the Officers' Christian Union.

After entering McMurry College in 1970, he began preaching and singing. He is now a member of the Ed Robb Evangelistic Association and has an office in the Student Council on Campus Ministries. He is on the dean's list as the outstanding student.

school students," said Westfall. He added that if customers had to wait as much as six minutes before being served, "something was wrong."

The new and fully equipped building, which offers speaker service for ordering, was designed to expedite orders, said the manager, who is also a partner in the operation.

In addition to the regular fare found at many such establishments, the Sonic also offers one style of hamburger which includes their "special smoke sauce," a fish sandwich called a "Whopper," and "Twist" ice cream, a mixture of chocolate and vanilla.

Westfall has been in the restaurant business for about ten years and was associated with the Denny's chain prior to moving to Canyon to oversee the construction and opening of the Sonic.

Westfall said he is happy to be a part of Canyon and is totally pleased with the response his new business had received. The facility is open from 10 a.m. until 11 p.m., except that it remains open until midnight on Friday and Saturday.

The business employs about 35 people.

and to work toward achieving the broad objective of character and effective leadership;

2. Understand the interrelation of science, nutrition and food preparation;
3. Understand the signs of good health and food needs of different age groups;
4. Develop desirable eating habits;
5. Develop skills in buying foods by studying food costs;
6. Develop skills in managing time and work in planning, preparation and serving nutritional meals;
7. Store foods to conserve the nutritional value and for food safety.

Some of the 4-Hers expected to participate are foods groups from the following clubs: Umbarger 4-H with Mrs. Bernard Hartman as project leader, Randall 4-H with Connie Brazzil as project leader, Palisades 4-H with Mrs. Joe Deiten, Mrs. Paul McDonald, and Mrs. M. E. Webb as project leaders; and High Plains 4-H with Mrs. Julia Wheeler as project leader.

Judges for the event are Mrs. Cecil Charles of Canyon, Mrs. Ruth Hughey, county extension agent from Claude and an Armstrong County junior leader; and Mrs. Carolyn Osborn, Mrs. Dorothy Fletcher, and Mary Jane Tulley, all of the Amarillo Expanded Nutrition Extension Office.

Food Prices To Be Talked By Official

Executive Vice President of the Texas Restaurant Association will speak to members of the Panhandle association at 6:30 p.m. today in Canyon.

W.H. "Buckshot" Price of Austin will speak on "Don't Raise Prices, Raise Hell," as he calls on restaurateurs to limit menu increases and offset climbing costs by closer cost control within their operations.

The evening meeting will begin with a social hour at 6:30 p.m. with a dinner following at 7:30 p.m. at the Yum Yum Tree Restaurant.

Price, leader of the 4,376 TRA members, will also touch on payroll and benefits, service reduction, employee relations, food and supplies, bar and beverages, menus and promotion and supervision and accounting.

Panhandle Chapter President Bob Bequet said anyone connected with the food industry is invited to the meeting. Tickets are \$4.95.

Mike Westfall, managing partner of the new Sonic Drive In Restaurant at 1007 23rd Street in Canyon, watches as Pam Tucek fills part of an order. Westfall, in the food serving business about ten years, moved to Canyon from Big Spring.

Dimmitt Student Named President Of Fraternity

Ronnie Burks, Dimmitt graduate student, has been elected president of Sigma Phi Epsilon, national social fraternity, for the 1973 fall semester at West Texas State University.

James Tilger, Canyon freshman, will serve as vice president, and Stan Leeper of Midland secretary.

Other officers named were recorder Steve Stark of Amarillo, comptroller Carl Brown of Hereford, chaplain Reggie Hambrick of Ackerly, senior marshal Rick Kelm of Plainview, junior marshal Weldon Jack of Pampa and Inter-Fraternity Council representative Larry Franklin of Stanton.

Officers of the associate member class are president Jim Hodge of Muleshoe, vice president Mark Crabtree of Amarillo, secretary Eddie Gage of Hereford, treasurer Rick Kelm of Plainview and social chairman Paul Thomas of El Paso.

Members of the pledge class are Robert Attridge, El Paso; Kris Botkin, Pampa; Randy Clements, Hereford; Weldon Jack, Pampa; Reggie Hambrick, Ackerly; John Watson, El Paso; Tom Cecil, Dallas; and Charles Smith, Canyon.

'Carnival' To Be Presented On WT Stage In April Run

The popcorn-and-peanuts magic of "Carnival" will be coming to West Texas State University when the School of Fine Arts presents David Merrick's award-winning musical April 4-7 and April 10-13.

"Carnival," adapted for stage from the 1953 motion picture, "Lili," will be presented each evening at 8 p.m. in the Fine Arts Theatre.

French star Leslie Caron first charmed audiences in her portrayal of the winsome child-woman, Lili, who wanders into the dizzy world of the Grand Imperial Cirque de Paris, awestruck by its population of acrobats, jugglers, dancing bears and four amazing puppets.

Bringing Lili to life on the stage was Anna Maria Alberghetti. The production was recipient of the New York Drama Critics' Award for best musical of the year.

Musical director and producer of the WTSU production is Royal Brantley, associate professor of music. Stage director is William A. Moore, associate professor of drama, and his wife, Margaret Echols Moore is acting coach.

Neil Hess, Amarillo dance-master, is choreographer, and James Kemmerling, instructor in speech, is technical director. Jerry Doan, instructor in voice is assistant musical director, and Michael Matesky, assistant professor of music, is orchestra conductor.

The highly-acclaimed musical has been noted for its unusual stage direction, characterized by a stage crew that serves as the

musical's carnival roustabouts in their functions of dismantling the tents, booths and wires of the show.

The musical opens, appropriately, at the same time that Professor Schlegel's traveling carnival begins to take shape. "One by one the roustabouts and performers arrive on the scene, and amidst their shouts and hoopla, the tents are raised, the aerialist's high ladder soars skyward, and the setting for the musical is created "right before the audience's eyes."

Wandering about in search of a place and some one to belong to, is the orphaned Lili, who is soon befriended by the four remarkable puppets whom she ingeniously accepts as real people. The romance of the story emerges when she meets the man behind the puppets, the crippled and embittered puppeteer, Paul, who must vie with the villainous carnival musician, Marco, for the young girl's favors.

Vicki McFarlin, Dumas senior and veteran of many WTSU productions, is cast as the bright-eyed Lili, and Stephen Hilton, Canyon senior, portrays the "desperately unhappy" puppeteer Paul.

Rodney Miller, Big Lake junior, portrays Schlegel, the carnival owner described as "a loud ring-master of a man who tries to hold his show together and dreams of better days to come."

Rick Davis, Clayton (N.M.) senior is cast as Marco the Magnificent, the carnival's star performer, and a man "utterly convinced of his fatal attraction

to all women." Linda McNeil, Amarillo senior, portrays his mistress, Rosalie.

Jacquot, Paul's assistant puppeteer and only friend, is portrayed by Rene Clemente, El Paso senior. Ron Devoe is cast as Dr. Glass, a veterinarian.

The stage-crew-roustabouts are Gene Vaughan Morrison, Lee Kendle, Travis Angel and Randy Talley.

The musical highlights include such tunes as "Love Makes the World Go Round," "Her Face," "The Sword, the Rose and the Cape," "Humming" and "Cirque de Paris."

The show's inanimate cast includes Carrot-Top, a child's playmate and Marguerite, an ex-Prima Donna at the opera, both operated by Hilton. Renardo, the fox and Horrible Henry, the walrus, are operated by Clemente.

The large chorus is composed of WT music and drama students, and the dancers consist of a group of WTSU students and students of the Hess School of Dance in Amarillo.

All seats for the production are reserved. Tickets are priced at \$3 for adults, \$2 for public school students and children and \$1 for WTSU faculty. WTSU students may obtain tickets free with presentation of ID.

Mail orders for reservations with payment and self-addressed, stamped envelope will be accepted through March 30. Checks should be made payable to the WTSU Opera Workshop, and mailed to WTSU, Box 275, WT Station, Canyon, Texas 79016.

Board Considers Bids For Bridge

By MILDRED TURNER

THE STRANGEST THING happened this week while our oldest grandson (age two) was visiting us and we were working in the yard. The Boothe's mother cat came over rubbing against us so we petted and talked to her. Soon she scampered on home but returned with a kitten in her mouth. Brent remarked that the "kitty was asleep." Mrs. Cat let us pet the kitten a minute, then took it to the door where Garland let her into the house to see what she was up to. She looked around in my bedroom, went into GG's room, found a dark corner, deposited her kitten and returned to the Boothe's. In a minute she came running across the street with another kitten and soon until she had moved all her family. Brent thought this was great! After school, we put the babies in a box, returned them to the Boothe's with the Mrs. Cat running along beside us.

DORA WALDROP PLANTED her onions Monday. Do you remember the article about the rights of water ways, etc., we discussed at club? Dora has already received her answer from Max Sherman. She and Charles Hooker (our president) have a copy of this bill which shall be posted on the bulletin. This is very important to our community as well as all over Texas. Many of us are writing our senator and representatives whose addresses will be posted also.

ONNIE ATKERSON'S DAD has just been released from Northwest Texas Hospital where he has been under-going tests. His mother stayed with Onnie and Estelle while he was hospitalized. Best wishes to Mr. Atkerson, from all of us, hoping for a speedy recovery.

I HAD TEA with Edna Jackson this past week and she was saying Robert had a heart attack in February and has not been able to work. They have been in Lubbock this past year

where he was on a construction job. We are glad to have you home but so sorry about the heart condition, pray daily for you.

WONDER WHERE ALL that cement has been going? The Seitz's are building on a 14 x 14 basement, a den and a four car garage. They have not lived out here long. Mr. Seitz, who works in Amarillo, is currently raising some baby chicks. Out of one hundred he has lost four. Mrs. Seitz, who has never lived in the country, finds gardening very fascinating. She has already planted onions, beets, carrots and radishes. The children have a St. Bernard registered "Country Baby Seitz," but she is called "Country." Chris, almost twenty, is in the service. The others are Jerry, almost seventeen, Kenny, fifteen, Sherri, twelve.

AMONG THE YOUNG hikers recently were Dessa, Jackene, and Linda Griffin.

WE WERE SO shocked to hear of Ernest Carlile's sister being killed in a car-truck accident near Dumas last Friday during that rain storm. We had met her and her husband at church as they visited the Carliles during the New Year holidays. We are so sorry about this, may God comfort this family.

DURING THE RAIN storm and alert Friday we were out at the Medical Drive Convalescent Home visiting Mama Turner. Many of the patients were terrorized while the calm and the brave tried to comfort them. It was marvelous how each one tried to help the other. The rooms were evacuated in about ten minutes, to a center room and the two large showers. After helping with windows and drapes, I returned to the room where Mama was among a whole room of wheel chair patients, some moaning, one crying and others very silent. I noticed the help was trying to cheer them up, so I announced "we will all stand and sing America." A colored lady

Weyman Brown, local businessman, presents a check to Mary Alice Hines and Carroll Wilson in anticipation of the beginning of the American Cancer Society business campaign, which kicks off here Monday.

Cancer Drive Begins Mon.

Local drive for the American Cancer Society begins Monday with Carroll Wilson and Mary Alice Hines heading up the business drive and Mrs. Carolyn Hunt heading up the residential drive.

The advanced campaign ends Friday, spearheaded by Lloyd Kurtz.

Wilson said 24 campaign workers will be visiting about 140 Canyon businesses next week to seek donations for the Cancer Society.

A kick-off breakfast for the business drive will be held at 7 a.m. Monday at the West Texas State University cafeteria.

The residential drive will have a goal of contacting all local residents at their homes for donations.

Goal for this year's campaign is \$5,000.

Benny Cooper is over-all campaign chairman.

WT Club Sets 3-Day Rodeo

The Rodeo Club of West Texas State University will hold its annual competition April 5, 6 and 7 at Will Rogers Arena in Amarillo. Events each night will begin at 8 o'clock.

Sanctioned by the National Intercollegiate Rodeo Association, the WT event will include bareback riding, saddle bronc riding, bull riding, bulldogging, calf roping, steer roping and team roping.

Barrel racing and goat tying events will also be held, with competition limited to women contestants.

About 300 to 400 entries are expected, said Ben Garrett of the 35-member club. Contestants are expected to represent about 15 colleges and universities.

Tommy Sheffield will do the clowning for the event, and stock will be provided by Cordell and Campbell, stock producers from Childress.

According to Garrett, two all-around winners will be presented championship buckles, one each for men and women.

Admission to each of the three performances will be \$2 for general admission and \$3 for reserved seats. Kenny Wight is president of the WT Rodeo Club.

New President Named For AWS

Laura Childers of Slaton is the new president of the Associated Women Students at West Texas State University.

WTSU Student Killed In Amarillo Cycle Crash

A 20-year-old West Texas State University student, a resident of the Siesta Trailer Park north of Canyon, was killed early Wednesday morning when he apparently lost control of his motorcycle and crashed in Amarillo.

Tommy "Bim" Carter of 158 Siesta Lane was dead on arrival at Northwest Texas Hospital about 1:45 a.m. following the accident in the 4900 block of W. 45th in Amarillo.

Young Carter was the son of Mr. and Mrs. T.K. Carter of 1401

Local UT Student On Honor Listing

A Canyon student at the University of Texas at Austin has been named to the fall honor roll for the School of Communication.

Miss Kay Nester, daughter of Dr. and Mrs. Charles Nester, was one of 261 students named to the honor list.

To qualify for the honor roll, students must have completed 15 or more hours of work with a grade-point average of 3.0 or higher and must have received no grade below C.

Choir To Raise Funds For Trip

On Saturday, April 7 the Canyon High School Choir will conduct a door-to-door pop bottle "raid" for the purpose of raising money toward its trip to Galveston May 2 through 6.

Choir director Tom Jennings said a bake sale will also be held that day with funds to go for the same purpose.

Cake sale locations, expected to be at grocery outlets, will be announced at a later date.

Diplomat Bohlen To Speak Tonight

One of the United States most seasoned Russia-watchers will speak on American-Soviet relations tonight at West Texas State University.

Charles "Chip" Bohlen, top Kremlinologist during the Cold War years and a ranking diplomat under six presidents, will appear at 8 p.m. in the Activities Center ballroom. His appearance is the final season offering of the WTSU Special Programs series.

Bohlen retired in 1969 from the highest-ranking career position in the State Department, closing a distinguished diplomatic career spanning the administrations of Franklin D. Roosevelt to Richard M. Nixon.

Bohlen began his career in the

foreign service in 1929 as third secretary and vice consul at Prague. He rose in the ranks from under secretary of state in 1939 through three ambassadorships to deputy under secretary of state for political affairs, and lastly, served as acting secretary of state between the time President Nixon took office and the Senate approved the nomination of William P. Rogers.

He was on the scene at the Yalta, Teheran and Potsdam conferences with Presidents Roosevelt and Truman and at the Dumbarton Oaks and San Francisco conferences that founded the United Nations.

Bohlen received the Rockefeller Public Service Award in 1960 for outstanding

work in the field of foreign affairs. He has been granted honorary degrees from Michigan State University, Harvard, Rockhurst College, Mo., Wesleyan University, Conn. and Columbia University.

He was the first recipient of the James Biddle Eustis Franco-American Award and has been given the Grand Cross of the Legion of Honor by the French government.

Tickets for his WTSU appearance, priced at \$2 for adults and \$1 for non-WTSU students, are on sale at the Activities Center. WT students, faculty and staff may obtain tickets free of charge with presentation of ID.

James Henry Johnson, left, and Eddie Don Clement, are proud of the trophies the young Canyon Boxing Club has won during recent tournaments. Johnson is a regional champion and Clement won the AAU tournament last weekend in Amarillo. Others who have won awards during the boxing season are Joe Doss, Joe Wayne Hardison and Jeff Gardiner.

Boxing Set For Saturday Night

A four-team, 35-bout boxing meet will be held at the West Texas State University fieldhouse Saturday beginning at 8 p.m. Zeke Clement of the Canyon Boxing Club announced.

Teams competing will be from Canyon, Amarillo, Olton and Stinnett.

Admission will be \$1.50 for adults and \$1 for children. Tickets are available at West Texas State Bank, Canyon First

National Bank, the Randall County Sheriff's office and the Canyon City Hall Annex.

Resident Celebrates 39th Birthday Again

By TOOTIE BYBEE

IF IT EVER makes up its mind rain or shine, maybe spring will finally win out. Love the rain but would much rather have good ole sunshine. Hope your fruit trees are surviving better than most. Guess we can always look forward to next year. Any-way mowing and watering and all that goes with it will very soon be upon us.

THE CAMP FIRE Girls celebrated 63 years of service to the community with the annual Dad and Daughter Banquet. Our group attended along with several other schools in Amarillo, the Banquet at Crockett Junior High. The girls fixed box suppers and precious table decorations around the theme of "It's a Small World."

Each girl had a country to plan around with flags for placemats, etc. Heard that all had a good time. The girls entertained with singing and dad's joined in when they could. I mean not too many dads would know "Peekin through the Knothole on Grandpa's Wooden Leg." Not something one would sing every day. Those attending along with their daughters were Tracy Cooper and Traca Ann, Billy Ellis and Jeanette, Lynn Laird and Lora Lee, Roger Whitehead and Shelley, Larry Brooks and Barbara, Sam Bybee and Leslie and Lenise. Sorry the others missed, and they were missed when singing time came around.

KAY TOW DIDN'T get to go cause dad was sick but she and Pam Thrash and Diana and Karen went roller skating instead. Wish I could remember all that Diana Winn said to me, but can't. Would love to write it all down—it is unbelievable. Said her sister's recital was just great. Have heard so much about that gal's natural ability, but bet lots of hard work is behind it too.

TRACY GILLIS DIDN'T get to go either but I think she didn't mind to much. The whole family spent the weekend on the ski slopes of Santa Fe. Took several friends along with them, including the Williams gang. Guess everyone survived all right—didn't see any cast! Hope Joanie is feeling much better after having a little dental work done. That do hurt.

THE CHRISTIAN WOMEN'S Workshop was held in JoAnn Fowlkes' home Thursday. They were planning and making table decorations for several meetings. To JoAnn, wish I could have been there. Was busy getting into other troubles and now would have traded gladly to have been there instead. It is always a joy to visit in your lovely home.

SAW A BATCH of boys busy at something there at JoAnn's the other day and asked about it and found out that Bow is patrol leader for the Antelope Patrol Troop 31 of the Boy Scouts of America. She said he really put them all through their paces the other day. Good boy, Bow.

WELL, FORGOT to say this last week and certainly had intended to do so. Cindy Buckles walked 15 miles in the Walk for Mankind last Saturday. Don't know exactly how many sponsors she had but it was a bunch and know she was able to raise quite a bit of money for this needy cause. I think this is about the third or fourth time Cindy has done this and we commend her on her efforts.

WANT TO SEND out many get well soon wishes to D.A. Malson who had back surgery last week. Hope this finds him so very much better and we are all thinking of him. Was so happy to meet Mrs. Johnson, Betty's mom who stayed with the kiddoes while D.A. was in the hospital.

WENT TO A birthday party for a very special person last night. It was I.J. Tow's 39th again. Food and friends and family were about everywhere. The supper was good but the cake was better and the company the best. Heard a lot of funnies (especially from that Betty Tow) but just didn't have a pencil handy to write it all down. Also heard of a new newspaper column, I think it was Frank's Follies. He could write a book on the Tow family right now. Any way was fun and happy birthday to I.J. They all wanted to be sure I got their names down: Frank Tow and family, Bob Tow and family, Max Tow and family, Monroe Carr and family, Marvin Carr and Sweet Becky (hope your leg is well real soon Becky), assorted nieces and nephews and I.J.'s grandmother was a very special guest. I wonder if I was invited so they could all get their names in the paper! Roger and Spooky Whitehead attended the Y Indian Guides' model car races Saturday. Also attending from their Tribe were Troy Mitchell and Brent, Mr. Wiggins and son, and Mr. Coronado and son, who by the way, won a trophy. To my Spooky boy, next year is another chance, and if you never win a trophy you are our special little friend and we love you.

IF ANY OF you kiddoes have a very lovely and gracious substitute teacher in the future with the name of Marion Clements, she is our neighbor and you're very lucky to have her but we do miss her on Thursdays when she is teaching.

SPEAKING OF THURSDAY Ladies Club this week, what can I say. We were all there at different intervals as every one was a bit busy that day. But the dinner was especially good with Shirley's lasagna. Missed those of you who couldn't make it.

MARGE MORGAN, HOPE you are able to find somebody to make the 16 button holes for you. No one I know feels capable of doing a good enough job for you. But it is a very lovely dress. Has Bob tried?

WELL, THAT'S ALL for this week.

Church Votes To Remodel

The congregation of the First Baptist Church of Canyon voted Sunday to construct a new educational building and to renovate the church's auditorium.

Voting was by standing with no actual count figures available, a church spokesman said.

Annual Inspection For ROTC Thursday

Annual federal inspection for the West Texas State University ROTC detachments will be Thursday.

Col. George B. Robbins Jr., commandant of New Mexico Military Institute, will be head of the five-man inspection team.

The day-long inspection will include close scrutiny of the files, cadre and cadets of the local detachment.

A noon luncheon for the team will be held on the campus.

Photo Essay Depicts Zola

In the late 19th Century a school of writers who called themselves Naturalists rebelled against the romantic tradition in literature with its "pretified" view of life and decided to depict the world as it was, even when the picture turned out to be ugly.

The chief representative of this school was Emile Zola (1840-1902), whose literary influence was to be a driving force in the field even into the 20th Century. A photographic essay of his life, times, work and influence is on display through March 28 at the Panhandle Plains Historical Museum on the West Texas State University campus.

Viewing hours are 9 a.m.-5 p.m. weekdays and Saturdays and 10 a.m.-6 p.m. Sundays in the Little Gallery.

The exhibit, sponsored by the WTSU French department and the museum, includes photographs depicting the life of Zola, from early life, lived in "genteel poverty" in Aix-en-Provence, France, to his later years.

Also on display are pictorial views of the France of his day and of the major cultural trends in art and letters during those times. Represented are photographs of his eminent contemporaries and of such writers as American novelists Theodore Dreiser and John Steinbeck, who are believed to have been greatly influenced by Zola's pioneering work.

In his major works, which include "L'Assomoir" and "Germinal," Zola strove to depict in clinical, almost scientific terms, the lives of the lower classes in all its starkness.

Approved was a five-part recommendation made by the church's Long Range Planning Committee which included Ken Olsen, Battle Harris, Phillip Langen, Wayne Wirt and A. L. Crossland.

Plans call for a \$600,000 construction limit with the next six to eight months required for planning. After that time, the spokesman said, construction will be started.

First, the educational building will be built. It will be designed to accommodate 800 persons. Another phase will be to completely remodel the auditorium and plans also call for the building of a 250-car parking lot as required by city ordinance.

When renovation is completed, the main auditorium will seat 760 people with an additional 240 seats in the balcony.

The education building is needed, the planning committee said, due to the increased need for educational facilities at the church.

While the auditorium is undergoing renovation, the new educational building will be used for worship services.

The new educational building will be located alongside the present auditorium. It will be bordered by 18th Street and 3rd Avenue to the east and north.

Funds for the projects will be secured in two phases. First, gifts and pledges will be sought with a goal of \$200,000. Next, when the educational building is nearing completion, the remainder of the money needed will be sought through the sale of first mortgage bonds.

The Rev. Bill Foil is pastor of the church.

WT Golfers Break For Week

Coach Vern Farquhar's West Texas State University golf team will take a one-week break before competing in the Oklahoma Baptist College Invitational at Shawnee, Okla., April 6-7.

The Buffaloes lost in a match to Texas Tech, 13-4, Friday in Lubbock.

Tech had defeated the Buffaloes earlier this year, 6-4, in Amarillo in a match which was shortened to nine holes because of heavy rain.

The Buffaloes could have played this week in the Eastern New Mexico University Invitational at Portales, N.M., but coach Farquhar decided that the players needed to work longer in practice on their games.

Is 69¢ a good price for pineapple?

Of course not! It's an outrageous price if you're talking about Mexican or Puerto Rican pineapples. But we're talking about Jumbo Royal Hawaiian Pineapple—the king of 'em all. And for that, it's a fantastic price. Why?

Well, look. We sell Mexican pineapples sometimes ourselves. For 39¢ apiece. And they're pretty good. But, let's face it—39¢ pineapple just ain't Jumbo Royal Hawaiian Pineapple. Plucked from the pineapple plant only when it's fully ripe. Individually selected. Individually hand-packed in damage-proof containers. Every four-pound beauty just bursting with honey-sweet juices—with as much as one pound more delicious eating than in the 39¢ kind. Of course 69¢ is not an ordinary price for pineapple. Would you expect to pay hamburger prices for porterhouse steak? After all, we brought these in only for those who deserve an extravagant treat. Live a little!

SWEETER FRUIT and juicier, too. Because they're grown in rich volcanic soil and plucked at the peak of ripeness.

SMALLER CORE—up to a pound more good fruit than you get in other varieties.

THINNER SKIN—It means more juicy eating.

'Renaissance Man' To Speak In WT Willson Lecture Series

A modern day "renaissance man," distinguished in the fields of music, education, writing and public speaking, will deliver the 27th Willson Lectures at West

Texas State University, April 3-5. Charles E. Whaley, director of family counseling at the Perry Diagnostic Clinic, Lawton,

Okl., will lecture at 9:30 a.m. April 3, 10 a.m. April 4 and 11 a.m. April 5 in the Activities Center ballroom.

A native of Houston, Whaley moved to Oklahoma during his last year of high school. He graduated at Duncan, Okla., where he lettered in football under Coach Billy Stamps,

presently recreation director of the city of Lawton. Whaley was also drum major of the band and won first place in a national contest for saxophone soloists.

His college work was done at Oklahoma Baptist University, the University of California at Berkeley, the University of Houston and the University of Oklahoma, where he is currently working toward a doctorate.

As a musician, he gained recognition in arranging, composing, and conducting. He has written for several popular groups, including the Four Freshmen, who sang with Stan Kenton for many years. He had his own band for 11 years and appeared as conductor for several musical stage reviews in the Houston area during the mid-1950s.

As a writer he has published five books, several articles for professional journals and a number of short stories.

In education Whaley has variously served as teacher, coach, administrator and consultant. His work has included assignments at the elementary, secondary and college levels, and he was the first educator to be hired as a fulltime consultant for a newspaper. Now more than 200 former teachers hold such positions in the United States.

Since 1964 most of his concentration has been in the area of public speaking. In 1969 Whaley spoke in 27 states and Canada. In 1971 he was named to membership in the International Platform Association, founded by Daniel Webster and including in its former membership Winston Churchill and John F. Kennedy.

He is president of the American Life Institute, a national organization for professional lecturers. He has served on the board of Alpha Psi Omega, professional honor society of psychological counselors.

Services Here For Mr. Knott

Funeral services for Donald Roy Knott, 32, of Amarillo, who died Sunday night at an Amarillo hospital as a result of a gunshot wound, were held Wednesday at LaGrone Funeral Chapel here with Dr. W. Winfred Moore, pastor of the Amarillo First Baptist Church, officiating.

Mr. Knott was hospitalized after he was found suffering a gunshot wound behind an Amarillo school.

He was a native of Claude and had been a carpenter.

Survivors include his mother, two daughters, three sons, a sister and a brother.

Along the Grapevine

by Mary Alice Hines

THE MIKE LEWISES and the Tom Reids went to Del Rio last week. They had good luck bass fishing at Amistead Reservoir. They enjoyed a shopping trip across the Rio Grande.

MARGARET HARPER WAS the moderator for Candidate Night last Monday. The School Board Candidates, Dr. J.L. Markham, Dr. Hiram Carr, Dr. Wallace Johnston, David Kent, Pauline Hefley, and the incumbents Harold Erwin and Richard Pruett aired their views on the election issues. While listening to them one thought stood out in my mind — that these were not professional politicians, but concerned citizens trying to insure the high quality of education for our children.

ON APRIL 3 there will be a general meeting held for all members of the Womens Division of the Chamber of Commerce and any other interested women. The salad supper meeting is to be held at Episcopal Center, 2516 4th Ave., so throw together your favorite salad and go. Clara Rigler, the executive director of the Suicide Prevention Center in Amarillo will be the speaker.

DR. AND MRS. Charles Nester, Dr. Leta Boswell and Mrs. J.M. White just returned from a trip to Puerto Rico. The doctors

attended a seminar concerning tropical diseases there. They enjoyed shopping in San Juan. The Puerto Ricans were having a taxi strike and San Juan was pretty hectic, however. The group shopped in St. Thomas in the Virgin Islands for one day. Veda White found the Lalique crystal that she is so fond of.

Sally Nester told me that her daughter Sally and her son-in-law John Brantley are anxiously waiting to find out where John will do his internship. John, the son of Mr. and Mrs. Royal Brantley, is in med-school in Houston.

MRS. MURPHY (SHIRLEY) White was given a surprise party last week honoring her for her 15 years as Chapter Advisor to the Chi Omega Chapter at W.T. How richly deserving she was! These Canyon Alumnae of all the sororities do so much in guiding and encouraging the college girls.

DON'T FORGET THE trips sponsored by the Student Activities Council planned for the Spring Break. The boat trip beginning at Green River, Utah and ending at Hite on Lake Powell will begin April 16 and only costs \$135.00.

The trip to Hawaii will be leaving Dallas April 14 and costs only \$299.00. If you want to take advantage of these bargain trips, please contact Jim Holstein at the Activities Center.

THAT IS ALL for this week, let me know what you are doing out there. Call 655-9978.

LEGALS

A BILL TO BE ENTITLED
AN ACT
relating to the establishment of the Randall County Juvenile Board and the juvenile probation department; maintaining in office those persons serving as juvenile officers on the effective date of this Act; and declaring an emergency.
BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. The Juvenile Board of Randall County is created, and is composed of the judges of the district courts having jurisdiction in Randall County and the county judge.
Section 2. The Juvenile Board shall create the Juvenile Court and shall appoint the Judge of the Juvenile Court, who shall serve as the chairman of the Juvenile Board and shall be its chief administrative officer.
Section 3. There shall be one chief probation officer who shall be appointed by the Juvenile Board. The chief probation officer shall appoint a sufficient number of assistants and other employees to carry on the professional, clerical, and other work of the juvenile court, subject to the approval of the Juvenile Board.
Section 4. The Juvenile Board is authorized, with the advice and consent of the commissioners court, to employ and designate the titles and fix the salaries of probation officers and such administrative, supervisory, stenographic, clerical, and other personnel as may be necessary.
Section 5. The Juvenile Board shall have direction and control over all juvenile officers and may make rules and regulations to implement that direction and control.
Section 6. The Juvenile Board shall have authority to require and approve a good and sufficient surety or personal bond for the faithful performance of duty of any juvenile officer, in such sum as may be determined by the board.
Section 7. Probation officers shall be furnished transportation, or alternatively, shall be entitled to an automobile allowance for use of personal automobile on official business, under the same terms and conditions as is provided for sheriffs.
Section 8. Nothing in this Act shall be construed to affect the status of a person serving as juvenile officer or assistant juvenile officer on the effective date of this Act or to require a new appointment of the officers during their current terms of office.
Section 9. For the added duties hereby imposed on the members of the board, the commissioners court of the county may allow the members of the board compensation from the county general fund. This compensation shall be in addition to any other salary received by the members of the board.
Section 10. The importance of this legislation and the crowded condition of the calendars in both houses create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each house be suspended, and this Rule is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

CITATION BY PUBLICATION
TO: SHARON McCASKILL,
Defendant, Greeting:
YOU ARE HEREBY COMMANDED to appear before the Honorable 181st District Court of Randall County at the Court-house thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 7 day of May A.D. 1973, to Plaintiff's Petition filed in said court, on the 19 day of March A.D. 1973, in this cause, numbered 12595-3 on the docket of said court and styled In the Matter of the Marriage of DAVID GARY McCASKILL and SHARON McCASKILL.
A brief statement of the nature of this suit is as follows, to-wit: Action for divorce, as is more fully shown by Plaintiff's Petition on file in this suit.
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.
Issued and given under my hand and the seal of said court at Canyon, Texas, this 19 day of March A.D. 1973.
Attest: Mrs. LaQuitta Polvadore Clerk, 181st District Court Randall County, Texas.
By Kay J. Morton, Deputy.

Lecturer Speaks
Tonight At AC

Geith A. Plimmer, C.S., Christian Science lecturer from London, England, will speak this evening at 7:30 p.m. in Room 211 of the Activities Center at West Texas State University. The campus public is invited to attend.
Mr. Plimmer, a graduate of the University of Adelaide, South Australia, became interested in Christian Science in 1927. In 1934 he gave up his work as a school master to devote his entire time to public practice of Christian Science healing. From 1944-46 he opened up Christian Science Service Centers throughout Italy for use by the Allied Forces.
After appointment as a Christian Science lecturer in 1961, Plimmer has lectured in many universities throughout the world. He has occasionally spoken on radio and television in Britain and the United States.
The lecturer has explained his topic by saying, "I mean the disappointment gaps between high hopes and meager results; the frustration gaps between keenness to achieve and obstruction against achievement; the desolation gaps between happiness and loneliness; and in some of us the awful guilt gaps between conscience and conduct."

SMU Authority To Speak At WT

An expert on early man, Dr. C. Vance Haynes of Dallas, will speak at 7 p.m. Friday to members of the West Texas State University Anthropological Society and Geological Society in room 101 of the University Complex South.
Dr. Haynes, associate professor of geology at Southern Methodist University, will tell of his work with Clovis remains in Arizona and other parts of the United States.
He recently returned from Africa, where he did geological and anthropological studies in Tasmania. Dr. Haynes is the author of numerous scientific studies in such fields as Pleistocene geology, geochronology, paleoclimatology, general geochemistry and early man.
Members of the Panhandle Archeological Society will be special guests for the talk, which is open to the public.

Girl Scouts Busy Earning Badges

Girl Scout Troop 158, made up of third and fourth graders, received pointers on first aid from Dr. Ronnie Waide, education instructor at West Texas State University, at their Monday after-school meeting.

Learning to cope with emergency injuries such as a twisted ankle or minor cuts will help the girls qualify for one more badge, a badge in first aid, to add to the goal of 34 badges some already have. The collection of badges represents work in drama, cycling, cooking, sewing and sign of the arrow.

In addition to their badge work, the troop sold a total of 601 boxes of Girl Scout cookies.

To earn the drama badge, the group toured the Panhandle Plains Museum and learned about early frontier people. Using this experience, they composed and presented their own dramas of frontier life.

For the cycling badge, the group was lectured at Wheels, Inc., in Amarillo and then spent a day-long cycle ride in Palo Duro Canyon.

The cooking, sewing and sign of the arrow badges were earned in regular meeting time and outside hours at home.

During the Christmas season the group enjoyed caroling at La Casa Nursing Home.

Helping to plan and supervise the activities of Troop 158 are leaders Mrs. Ross Staton, Mrs. John Osborne, and Mrs. Billy Griffin.

The members of Girl Scout Troop 158 are, first row, Jamie Perry, Susie Higgins, Cynthia Dugan, Christina Brown, Dee Ann Staton, and Kathy Rosser; second row, Debbie Oppe, Debbie Higgins, Sherry Osborne, Sheila Stark, and Reba Griffin; third row, Trina Rook, Mayla Vars, Amy Boston, Donna Hanes, Becky Keiser, Kaysa Bedwell, Mary Mitchell, and Scarlett Bertish.

Handy Hut Is One Month Old

The Handy Hut at 1204 23rd Street in Canyon, under management of Hershel Robertson, has been open about one month and offers convenience store items around the clock seven days each week.

In addition to grocery and related items, the store also provides self-service gasoline, some tools, magazines and cosmetic and medical items.

"We've got a bit of everything," said Robertson, a former supermarket manager in Plainview.

Robertson said he had been in the convenience store business about one and one-half years before joining the Furr's Inc.,

owned Handy Hut in Canyon.

The manager and his wife, Joyce, still reside in Plainview but will move to Canyon when school dismisses for the summer.

Mrs. Robertson is a teacher in the Plainview school system.

Robertson said he thought Canyon was an ideal location for working and for making a home. He said he thought cities the size of Canyon had "less problems than the larger cities."

The store employs two people in addition to Robertson. They are Mike Fawcett and D. G. Young, both of Canyon.

Hershel Robertson, manager of the new Handy Hut which recently opened for business at 1204 23rd Street in Canyon. Robertson managed supermarkets and convenience stores in Plainview prior to taking over the store in Canyon.

FHA HERO Week Set For April 1-7

April 1 through 7 has been designated National FHA HERO Week. Members of Future Homemakers of America will carry out special activities and observances designed to share their experiences and accomplishments with family, friends, and neighbors.

The Theme chosen for this year's National FHA HERO Week is EXPLORE ROLES — EXTEND GOALS to focus attention on what over half-a-million young men and women in FHA and HERO chapters throughout the country are doing to explore the multiple roles individuals play in family, community and career life.

Elaine Smiley of Canyon High School said that several million young people have been challenged by the unlimited opportunities offered through membership in Future Homemakers of America over the 25 years since its establishment as the national

organization for high school students in home economics and related occupations. Dave Morris, president of HERO at Canyon High School, said that HERO plays an effective role in the educational system by giving students the opportunities to combine classes with a related job — to learn and earn. In other words, FHA HERO serves as a bridge between the classroom, the home, the job, and the community and is the key for developing the potential of each individual member for a productive life in our society.

The 30 members of the C.H.S. FHA chapter have scheduled a number of activities for this week. Plans outlined include an Employer-Employee Banquet, Teacher Appreciation Day, and various displays of class and chapter activities in the main hall of the high school. Officers of the Canyon High School HERO Chapter include Morris, President; Debbie Prichard, Vice President; Sharon Nickell, Secretary/Treasurer; and Mary Beth Ward, Historian. Ms. Janet Sargent serves as adult sponsor.

Future Homemakers of America is a nonprofit, self-supporting organization officially sponsored by the U.S. office of Education, through the Division of Vocational and Technical Education and the American Home Economics Association. It encompasses two types of chapters: FHA chapters for students in homemaking, con-

WT Tracksters Face ENMU In Match

West Texas State's track team faces one of its season's toughest foes Saturday when it hosts the Eastern New Mexico University Greyhounds.

Running events at the Buffalo track start at 2 p.m. and field events are slated to start at 1:30 p.m.

Eastern New Mexico, under coach Bill Silverberg, have some of the top collegiate track men in the nation. NAIA All-American Jim Lincoln vaulted 16-6 last week as the Greyhounds lost a two-way meet to the NCAA indoor champions, the University of Texas at El Paso Miners, this past weekend, 91-73.

Sam Yavala of the Fiji Islands ran the 220 in 21.5 against the Miners. Mike Bolt of Kenya ran the 880 in 1:52.0 last weekend, but has a 1:48.5 best for the year. Philip Ndoe of Kenya is another strong distance runner.

Sprinter Chris Braithwaite has a 9.3 time in the 100-yard dash and should be a key man on the 440-yard relay team which has run 42.1. Regi Brown of Trinidad took third last week in the 440 with a 48.4 time.

Other ENMU standouts are Rex Maddaford of Auckland, New Zealand; Albion Mends of Ghana; Larry Thornhill of Odesa, and Kirby Tiltonson of Alameda.

CHS Trio Takes Top UIL Honors

Canyon High School students, taking part in the University Interscholastic League Literary Contest held at West Texas State University Saturday, won three individual first place honors.

The top awards went to Ward Jacobs in the Editorial Writing portion of the Journalism Contest; Teresa Engler in Ready Reading; and Dan McGlasson in Number Sense.

In other journalistic awards, Suzanne Tenero won second place in Feature Writing, and Jana Burton won third place in News Writing.

Other Canyon winners, their categories and positions were: Kenny Barton, Informative Speaking, third place; Carla Dwyer, Ready Reading, third place; Joan Albers, Spelling and Plain Writing, second place; Wayne King, Science, third place; Pam Lightfoot, Shorthand, second place; Kathy Lewis, Shorthand, third place; and Sue Land, Typing, fourth place.

Muleshoe led all AAA Class schools in first places in the competition between their school, Canyon, Perryton, Levelland and Dumas.

Judges for the event were WTSU instructors and graduate students.

Sat. Deadline For License Tags

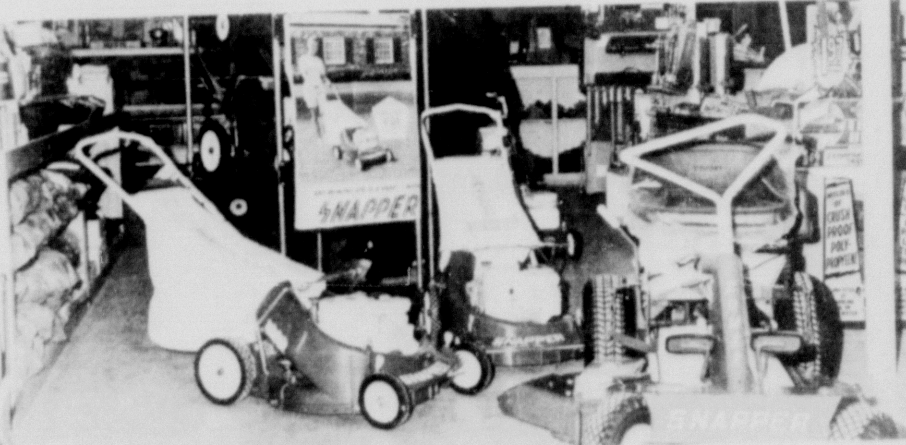

Saturday is the final day for Randall County residents to purchase their 1973 license plates.

The county's two offices for license plate purchase will be open from 9 a.m. to noon Saturday. They are the county tax office in the Canyon courthouse and the tax office annex in South Amarillo.

The 1973 plates must be displayed on vehicles registered in Texas starting Monday.

Mrs. Audrey Bruse, tax assessor-collector, said local residents using the computerized renewal form may use the express line in her offices. Otherwise, residents must bring their title and 1972 license receipt.

Citing the basic need by industry for water, Dr. Stephens said he believes light industry might be attracted to the city, but that heavy industry would probably not locate here due to the water problem.

During the question and answer session, Dr. Stephens said he believes the current commission is making proper use of the federal revenue-sharing money sent the city each year. The amount, which totals about \$85,000 annually, is to be spent to finance the civic center complex.

Dr. Carr (school board) — Dr. Carr noted that his experience on an Amarillo College board to plan and implement a curriculum in dental hygiene instruction led him into his current interest in seeking election to the school board. He stressed the value of a basic academic education for all students, rather than a fragmented course of instruction for those who might pursue college or university education or those who might seek vocational skills. Dr. Carr said he feels within the next few years, education will face a major challenge in curriculum development.

His views on particular issues: **Vocational education** — "Vocational training programs have a place in the curriculum. This will need more supervision in the future as needs begin to change."

Dress code for students — "I think we've seen the crest of emotion about this. The school board is right in maintaining a dress code. I endorse the dress code."

Priorities for spending of surplus funds — Dr. Carr said any decision on spending would have to be reached after reasonable study. "Just because you have \$35,000 left over doesn't mean it has to be spent."

Erwin — Erwin outlined his qualifications and said he has served on the board six years. "I think Canyon schools have always been good schools and I'd like to continue to see them be like this way."

In outlining his views on certain issues, he said:

Vocational education — "I think we're keeping a lot of kids in school with the vocational program that would have already dropped out."

Expansion of athletic or physical education program — Erwin said he is in favor of a strong intramural program.

Dress code for students — "You must have some kind of dress code. It's been too big an issue."

Priorities for spending excess funds — "A study would have to be made."

Mrs. Hefley — "The main thing I can give you is a voice. I've

been disenchanted in the past by seeing the board not function as it should," Mrs. Hefley cited as an example the recent request by an Amarillo meat supplier for an increase in his prices. No board members, Mrs. Hefley said, even asked the meat supplier whether he would have come to the board had meat prices gone down.

Mrs. Hefley said this on specific issues:

Vocational education — Mrs. Hefley said there should be room in the system for a child to pursue his interests according to his

December, Dowlen and his staff have been pursuing Pennsylvania records and persons connected with the felony convictions in that state.

"If the case is returned to Randall County for a new trial, it would be incumbent on us to dig up the witnesses and try it again," Dowlen has said.

Zilka was arrested Jan. 9, 1964 after he and his common-law wife had taken her 3-year-old daughter to Northwest Texas Hospital for treatment.

Zilka told arresting officers three stories of how the girl was injured but never made a formal confession.

Five months later, as Zilka's common-law wife sat in the courtroom before his trial, she exclaimed "We're going to get married if he gets off."

She said Zilka had always been good to her and her children.

union from unit leader to president. During this time he learned the machinist trade.

A native of Oklahoma City, he was graduated from Texarkana, Tex., High School and later studied at the University of Texas and Southern Methodist University. He majored in engineering, English and comparative literature.

Beginning in 1951, Evans was elected president of the Dallas CIO Council three consecutive times. He was president of the Dallas UAW Citizenship Council in the late 1950s and was elected five times as the UAW administrative vice-president of the Texas CIO Council.

Evans is a member of the International Association of Machinists (IAM) and the International Union of Electrical, Radio and Machine Workers (IUE).

abilities. She said the school system should be flexible in meeting the needs of students.

Expansion of athletic or physical education — Mrs. Hefley said she believes money should be devoted to an upgrading of intramural and the offering of life-time sports such as tennis, bowling and others.

Dress code — "I'm in favor of a dress code. There is a correlation between dress and the atmosphere in a classroom. I certainly endorse a heavy dress code."

Priorities for spending excess funds — "If the decision were left to me, I'd spend it on the library (high school library)." But, she pointed out that the board as a whole must make the decision based on study of needs.

Dr. Johnston — Dr. Johnston said he is pleased with Canyon schools, but said every child needs what he termed "technical literacy." Dr. Johnston said he believes every child should have a skill which he can use to promote enjoyment and to work at following high school either during college or as his vocation.

His views on the issues: **Vocational education** — Dr. Johnston spoke not of vocational education, per se, but of career education, developing skills in children and concurrently developing a sense of the worth of work. He cited the need for career preparation in the school system from the kindergarten level through high school.

Dress code for students — "I think there's room for some latitude. You go to school to learn, not as a fashion plate but as a scholar. I think there need to be rules — the world has rules — and they need to be fair and reasonable and presented in the right way."

Priorities for spending excess funds — Dr. Johnston said he believes the money should be spent after much study on where its use would provide the most good. He said he generally would not favor spending of massive amounts on varsity-type athletics. Rather he would like to see sums spent on intramural and life-time sports. He also mentioned the expansion of the high school library as a possible place for expenditure.

Kent — Kent said he is from South Amarillo, lives currently in Canyon and works at West Texas State University and therefore, he said, he feels he can bring all three elements together. He cited the need on the board for a person who is new enough to the school district to have new ideas.

Of particular issues, Kent commented:

Vocational education — "I see no need for everybody to go to

college." He said he favors creation of an atmosphere in school that not all students should be pressured into higher education.

Expansion of athletic or physical education — Kent said he feels more emphasis should be placed on intramurals and on life-time sports.

Dress code for students — "My experience has been that a student acts about like he's dressed. They act the part. If a student is dressed like a student, then he'll act like a student. If elected I'll support it."

Priorities for spending excess funds — Kent said he feels the library is the most important department in a school and that first priority for funds should go to expansion of the library.

Dr. Markham — Dr. Markham said he is "very conservative" and would watch closely spending. He said he feels he could represent all the people in the district.

Dr. Markham said of specific issues: **Vocational education** — Dr. Markham said it is the responsibility of the school board to ensure the demands placed on schools by society are met in terms of changing attitudes about education.

Dress code for students — "I think every person hates to be told he must do something. Yet, we must accept authority," Dr.

tight budget. "He has been in the big-time system in Minnesota where they had quite a bit of money to spend on recruiting and on the program and he's just come from a smaller program where he was able to go in and win on a lesser budget," Mayfield said.

Mayfield said Ekker will make the decision on who his assistant coaches will be. But, Mayfield said he has suggested Ekker talk with current assistants Dale Blaut and Mike Mitchell with an eye to possibly retaining their services.

Ekker received his bachelor of science degree in physical education from Winona State College. He received his masters degree in 1965 from Wayne State.

He is married and has three children — a boy 8, and two girls, 12 and 1.

Mayfield said Ekker will probably begin work immediately to re-establish the WT basketball program. His family is expected to join him later.

Former head basketball coach Dennis Walling, who suffered the worst Buff season under his tutelage this year, resigned more than two weeks ago.

Markham suggested the student council or some student organization be allowed to set the dress rules for the students. "Self-government might work," he said.

Priorities for spending excess funds — Expenditure of excess money would take study.

Pruett — Pruett said he has learned a great deal during his 1 year on the school board and has realized how big a business operation the school district is. He said he believes the Canyon system is one of the best in the state.

His specific views: **Vocational education** — "We have a fine vocational program started and I'd like to see it continued. I don't feel all kids should go to college."

Expansion of athletic or physical education — Pruett said he backs a strong intramural program and program for students in life-time sports.

Dress code for students — "I'm for the dress code. I feel it's really necessary and needed. You've got to draw the line somewhere."

Priorities for spending excess funds — Pruett said he favors expenditures on physical education and intramural athletic equipment and facilities. But, he noted that a good study of the problems is needed.

Dr. Carr is a Canyon dentist. Erwin is a farmer north of the city. Mrs. Hefley is an insurance agent. Kent is a WTSU instructor. Johnston is head of the industrial education department at WTSU. Dr. Markham is a local veterinarian and Pruett is a restaurant owner.

Stephens is a professor of government at WTSU.

Political Group To Repeat Talk

So successful was last Friday's presentation to the Canyon Political Action Group on the U.S. economy, that the presentation will be repeated some time next month.

Mrs. Dorothy Parker, president of the group, said the next presentation will be at a Canyon restaurant and will include a meal.

Panelists for Friday's discussion were Don Max Vars, president of Canyon First National Bank, Charles Miller, professor of economics at West Texas State University, and Bob Lindsey, local cattleman.

In their business Friday night, the group listened to letters from Sens. John Tower and Lloyd Bentsen concerning the so-called "genocide treaty."

County. . .

(Continued from Page 1)

Louder questioned also the equity in asking volunteer firemen to risk their lives on 23-year-old equipment.

The city manager said he believes the current city-county contract is basically equitable, but, he said "it be so only as long as one side is not asked to absorb all the cost."

Commissioner Jim Fletcher suggested the county increase its subsidy to the city to provide the increased costs of fire fighting rather than invest in a new truck. Louder initially spurned the idea of an increased subsidy, saying city commissioners had tried to approach the problem in the context of the current contractual agreement, which provides a trade of services.

Louder said if the problem is approached in the subsidy manner, then problems will arise over the values of the various services provided.

Fletcher suggested an increased subsidy would make the current contract equitable for both parties involved.

Louder said if the county actually pays what it costs to fight a fire that within three years the county would have expended an amount over the \$33,000 fire truck cost figure.

Louder agreed to present the county's counter-proposal to city commissioners.

In other business, road maintenance superintendent Joe West told commissioners some-

thing must be done about area residents who are dumping trash on county roads.

"I can't keep up," he said.

"I wonder if we shouldn't hire a detective to catch these people out here," Commissioner Bill Butler said.

Butler also suggested offering a \$200 reward.

Commissioner Paul Lindsey suggested that stiff penalties be assessed those found dumping trash on or along county roads.

West said he believes that the cleaning up of trash dumped along county roads costs taxpayers expenses for 10 man days a month and three truck days a month.

Judge Woody Pond said he will contact Sheriff Cliff Longest about special emphasis on catching trash dumpers.

Commissioners also passed a resolution presented by County Clerk LeRoy Hutton calling for the defeat of a bill in the Texas Legislature which would outlaw punch-card voting.

The county currently uses the computerized system to count election ballots.

Happy News Annual Lions Queen Contest Set Friday Night In HHS Auditorium

By MARY NEAL HENRY

HAPPY LIONS WILL host their annual Queen's Contest tomorrow evening (Friday, March 30) in the Vivian Wesley School Auditorium. Time is 8 p.m. and admission is \$1 for adults and 75 cents for students. Brother Paul Heil will be master of ceremonies. Out-of-town judges will make the decisions. The queen must be 16 years old and still in high school. The winner will represent Happy at the District Lions Queen Contest in Hereford on April 27 and 28.

PAM SHIPMAN, REIGNING queen, will crown this year's queen from among these contestants: Debbie Magness, Peggy McGavock, Debbie McCarley, Jim LaRoe, Becky Via, Karen Murdock, Brenda Dietz, Barbara Dowd, Metta Moudy, Sandy Rainsback, Paula Heil, Susan Watson, and Mary Ann Sims, and possibly others. Be on hand and support the candidate of your choice.

DR. G. L. Robinson is slowly improving at the Southwest Osteopathic Hospital in Amarillo. Remember Doc with your prayers.

D. L. ALLISON came home on Sunday after his heart surgery on Monday. One Monday he was in heart surgery, the next Monday he was being driven around the farm by his son, Jim. That's wonderful! His brother and his wife, Harless and Claudia Allison and their Randy of Lubbock visited D. L. in the hospital on Saturday. Two other brothers and their wives, Carlton and Maurine Allison of Abilene and Wallace and Helen Allison of Rule visited D. L. in the hospital on Saturday and in his home on Sunday. Of course, Jim

and Rinda and Jim and Linda have been very close the whole time.

MELVIN SCHAEFFER is in Room 329 at St. Anthony's Hospital. A specialist has been called in, but no surgery was performed as originally scheduled.

RAY MOATS, A former resident of Happy and Canyon, died on Tuesday, March 20, and was buried on Thursday in Memory Gardens Cemetery. Ray was 50 years old and a resident of Arnett, Okla. He was a concrete contractor, a veteran of World War II, and a member of the Baptist Church of Happy. He is survived by a wife, Mary L., a stepson; a son, Darrell Ray; a stepdaughter, four brothers, C.R. of 2208 Sanborn, Benny of 1001 S. Carolina, Dayton of Tulsa and LeRoy, whose address was unavailable; and one sister, Dixie, whose address was also unavailable.

JOHN T. McGEHEE, Jr., 65, of Goodnight, died Thursday, March 22. Services were in LaGrone Chapel on Saturday morning and burial in Wayside Cemetery. Mr. McGehee was a resident of Wayside until he moved to Goodnight in 1942. He was a rancher and a member of the Goodnight Baptist Church. Survivors include his wife, the former Jewel Knox; a daughter, Mrs. Mary Ann Ashley of 5717 Emil in Amarillo, one brother, Lowe of Claude, three sisters, Mrs. Ola Rogers, and Mrs. Agnes Stockett, both of Wayside, and Mrs. Macie Cavet of Tulsa; and one granddaughter.

JAMES M. HILL of Tulsa who passed away last week was the father of Mrs. Mary Ann Sarchet of Silverton. Mary Ann is a personal friend and we extend our sympathy to her and her family.

BILL WRIGHT, 65, of Kanab, Utah suffered a stroke about three weeks ago. He was improving when he suffered a second and fatal stroke in the hospital. Bill is a former Happy resident and attended homecoming last year. He was a construction worker in Kanab. Bill is survived by his wife, Wren, three children; seven grandchildren; two brothers, Moon Wright of Happy and Horace Wright of Amarillo and one sister, Maggie Bennett who lives in Tennessee.

MOON AND ED WRIGHT attended the services in Utah and returned home on Sunday afternoon.

JEANETTA AND SONNY McNeill of Wayside honored their daughters-in-law, Tra, Hermion, and Cynthia with a tea in their home on Thursday afternoon of last week. The three girls wore orchid corsages for the occasion. They greeted guests who were then served spiced tea, iced tea, coffee, banana cake and chips and dips from the huge McNeill table. A large arrangement of red and yellow flowers adorned the table.

PATSY ROUSSEAU, BRIDE-ELECT of Bob Carter, was honored with a bridal shower on Saturday afternoon in the home of Mrs. Simon Elliott. Guests were received by Mrs. Elliott and presented the honoree, Patsy Rousseau, her mother, Mrs. Doris Rousseau, and the groom's mother, Mrs. Esie Mae Carter. June and Sherry Rousseau, sisters of the bride-to-be, registered guests.

BECKY STUBBLEFIELD AND Deanna (Carter) Sanford served spiced tea, coffee, cookies and nuts from silver appointments. The table was covered with a white cloth and decorated with a centerpiece of deep blue and white artificial flowers with only a touch of pink.

JUDY THOMPSON'S HOME will be included in the home tour of Swisher County Home Demonstration Clubs. Judy and Tuffy have recently added a bedroom, breezeway and bunk house to their home, with a full basement beneath the bunk house. Judy's home will represent the Union-Salem Home Demonstration Club home in the tour. This is Friday, March 30. The group will leave the Swisher County courthouse at 9 a.m., eat a sack lunch at the Childress Community Center and will be at the Thompson home just after lunch.

BRENDA RAILSBACK HAS been chosen as a song girl at West Texas for the coming year.

MR. AND MRS. W. R. Sterling, Sr. of Ira, parents of Mrs. John Sims of Happy, observed their 72nd wedding anniversary on March 13. They were married in Ira in 1901 and have lived in that community ever since. Mr. Sterling is 93 years of age and Mrs. Sterling is 88. The Sterlings have four other children, Mrs. Cora Burney of Ira, Mrs. Gladys Roberts of Porterville, Calif., Mrs. Veda Minor of Snyder, and W. R. Sterling, Jr. of Ira; 18 grandchildren now living, 37 great-grandchildren, and one great-great-grandchild.

PAM SHIPMAN SCORED four points (in about that many minutes) in the Third Annual All-Star game in the Civic Center on Saturday night. Pam played well. We are pleased that she represented Happy. A large group of Happy fans attended the ball game.

KAREN MURDOCK WAS a cheerleader at the All-Star ball game. And of course, we (the West) won.

HAPPY 4-H RECEIVED blue ribbons at the District Foods Show in Lubbock at the student center on the Tech campus. Cathy Parker, the only senior representative from Happy received a blue ribbon and ranked third in the group of

eighteen. Eighteen counties comprise this district. Nancy Woods and Debbie Parker also received a blue ribbon and ranked third in each of their separate groups of 18.

BECKY VIA ENTERED the Tri-State High School Rodeo in Hereford. She scored high on her steer ride, but just out of the points. Becky also entered the goat tying. The Happy Tri-State High School members will be traveling to Dalhart this weekend.

SHAW'S CUSTOM FARMING girls volleyball team won consolation in the Happy Booster Club Volleyball Tournament last weekend. This was the only Happy team to win a trophy. The Happy Booster Club thinks that they will have a good financial report of the tournament.

HAPPY JAYCEE-ETTES Swap Meet was not successful — due only to the lack of participation. What happened to everyone? Was it the weather or would another turnout the same? Please voice your opinion. Maybe every project can't be a success, but the Happy Jaycee-Ettes run a very high average.

PEGGY AND DOUG Bell and their Denny, Danny and Wade spent the weekend in Liberal, Kansas with Peggy's parents, Mr. and Mrs. D. C. Forbes.

ROYCE AND BILL Vernon returned yesterday from visiting Steve at Waco and Bill and Susan at Houston.

DIXIE McMANIGAL AND her two girls spent last weekend at "home" while Hobie attended a track meet in Roswell.

MARY JANE MILLER was hostess to Sunday dinner for our pastor and his family, Brother Paul, Phoebe, Paula, Shannon, and Shaun, and to our music director, Joe Dowell. Mary Jane's mother, Mrs. Joe Smyth, was also a dinner guest.

ANNA MAE McMANIGAL, Catherine Miller and Sharla Miller met Mary Phipper of Amarillo at the Community Center in Canyon on Sunday and attended the Porcelain Art Show. Merle White, Nora Taylor, and Jessie Francy displayed paintings at this showing.

HAPPY RAINBOW ASSEMBLY will observe the anniversary of Rainbow by attending church in a group at the Methodist Church on Sunday morning. They will eat Sunday dinner at the Yum Yum Tree and invite friends and family to attend with them. (Dutch treat, of course.)

KAREN AND VINT Wright were guests in Happy last weekend.

GREG PEARSON AND Karron Johnson have announced their engagement. They plan to be married on June 22 in the First Baptist Church in Levelland. Karron is a senior nursing student at the Methodist hospital in Lubbock. Greg is a graduate of South Plains College and is now employed in a store in Levelland featuring Western attire.

LENA WALBERG, LOU and Johnny Parker and their Angela, Tim and Molly traveled to Dallas on Friday to visit the Melvin Smith family. Melvin and Nancy and their Robin and Kevin were fine. Nancy has no cast on her leg now, but it is still weak. She works full time again. Recently, Nancy received her five-year Stockbrokers' Pin. Congratulations, Nan. And she says to tell everyone "hello." Lena and the Parkers returned Sunday afternoon.

CONNIE HAND GAVE the welcome to 61 who attended the annual FHA banquet and party for their dads. Fay Hand gave the response. It was a Necking Party. Each Dad's neck was measured and charged a penny an inch admission fee. They played the Daddy-Daughter Game and Paul Heil and Paula won. Oscar and Estella Flores tied them for a while. Walter Via won the prize in "Pin the Tail on the Bunny" for pinning the tail the closest to the correct place. Foy Moudy was second. Bill Andrews won the prize for pinning the tail in the weirdest place and Fay Hand for being the farthest away. All enjoyed their box suppers.

SEVERAL HAPPY VOLLEYBALL teams will be entered in the Tulsa volleyball tournament this weekend.

APRIL 6 IS the date for that Farmers Union District banquet. If you don't have your tickets, you'd better yell — loud. The banquet will be held at the Holiday Inn West at 7:30. Speaker for the occasion will be Victor Ray of Denver, Colo., who is with the national staff. His subject will be recent cutbacks in the farm program. A dance will follow the banquet. "Young Country Sounds," a Western band, will play for the dance. Tickets cost \$5 each and admit you to the whole evening of entertainment. Call 764-2158 and I will see that you get your tickets.

LEATHER AND LACE are sponsoring a team roping in Panhandle on Sunday, April 1

beginning at 1 p.m. Entry fee is \$30 per team. They advertised it \$15 each, but they said they meant \$30 per team. Steers for the roping belong to S. E. Mayo.

HAPPY RODEO ASSOCIATION elected officers on Wednesday of last week. President is C. R. Wesley; vice president, Bob McDonald; secretary, Carl Sims; and directors, Walter Via, Wendy Sims, Gene Shipman, and James Stockett. Here's wishing you all a WONDERFUL YEAR!

THE ANNUAL JUNIOR Rodeo is scheduled for May 11, 12 and 13. Hugh Cooper will furnish the stock. There are four groups: boys and girls under 12; boys 13-15; boys 16-19; and girls 13-19. An engraved buckle will be presented the All-Around Cowgirl and the All-Around Cowboy.

DENNY AND NICKIE, grandchildren of the George Denny's, have been visiting Tootsie and George while their Mom and Dad are in California. Mary Kate and Lester will be moving to California very soon for a year where Lester will be enrolled in a school.

HAPPY JAYCEE-ETTES held a called meeting on Thursday to work on the scrapbook. They ate lunch at the hall and then cleaned it for the Swap Meet which was the following Saturday.

HAPPY JAYCEE-ETTES held a "Come-As-You-Are" Breakfast on Sunday morning at Sara Tirey's home. Orange juice, coffee, and rolls were served to Dottie Foster, Skip Simons, Judy Shipman, Betty Stockett, Della Venhaus, Kaye Venhaus, Lynn Ritter, Jeanne Johnson, Susan Rahfs, Donna Bryan, Joy Freeman, Sara Tirey and myself. We were absolutely lovely. We didn't worry about the neighbors as we arrived, but before we left we knew they were all up. Must have been entertaining.

THE JUNIOR HIGH and high school tennis teams participated in the district play at Nazareth yesterday. They will be at the Amarillo Relays this weekend.

THE ONE-ACT play, "Denny and the Witches," placed

second at Muleshoe in Interscholastic League Competition on Tuesday. This was the first time in 18 years that Happy has not won. The judge (from Tech) gave no criticism. He told the cast they worked well together, had good movements and expression and did an excellent job, if you like that type play. First place went to a serious drama.

SANDY RAILSBACK, LINDA Railsback and Jim LaRoe, the three witches, made the All-Star cast. Congratulations!

MARK HARGRAVE WON second in the shot at the Buff relays last weekend. Wayne Offield won fifth in the high hurdles and Albert Schoenberg won sixth in the 880.

LLOYD VENHAUS HAS purchased Redi-Fuel Auto Parts and will operate it as Lloyd's Auto Supply Store. Here's wishing you lots of success!

GEORGE WHITE BOUGHT out the gasoline, diesel and propane farm tanks. Jack Caddill will be one of his employees.

A GROUP OF CowBelles and interested persons met Wednesday at the National Livestock and Beef Board in Amarillo.

THESE PEOPLE WHO are boycotting beef haven't done their homework. They have no idea what they are talking about. Beef may be high, but higher than what? I challenge them to figure it out with a pencil.

THE NEXT MEETING of the Happy CowBelles will be a luncheon at Faye Parker's home near Wayside. Eleven o'clock is the time, April 11, the date. See ya there!

See ya!
